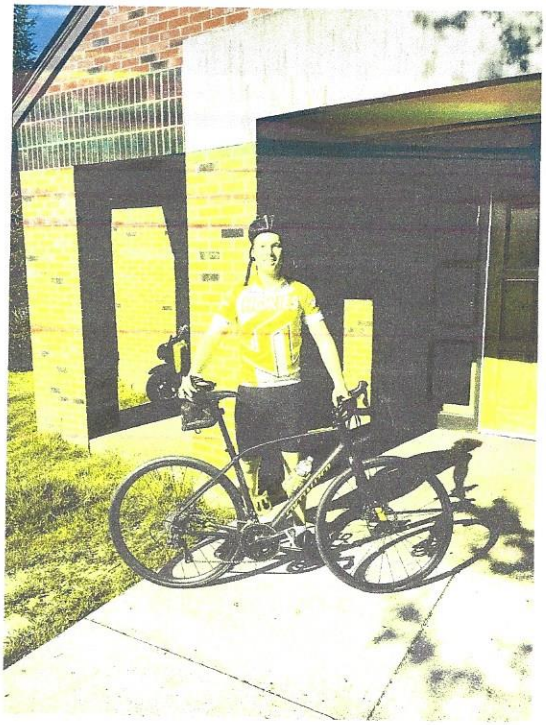
HELP ME HIT MY FUNDRAISING OUT OF THE PARK!



Hi SYA friends and families, my name is Kyle Casey and not too long ago I was playing, umpiring and spending countless hours on these same fields. This summer I am dedicating time to biking through Florida to raise funds and awareness for people with disabilities. I will be biking over 800 miles throughout 2 weeks.

I am already 1/3 of the way to my goal of $3,000 which will be given to different organizations, as well as going to help make some of the camps I stop at upgraded/handicap accessible.

A quick small donation can go a long way and you can even follow my trip by checking my facebook: Kyle Casey . Thanks so much! Donations can be made at the following:
