

ONLINE ORDERING

All orders must be placed online through our brand new website, which features a much more simplified and user-friendly ordering process. Check and cash payments will no longer be accepted.

Go to: www.olsonphotography.com

Families will use the league's access code (located at the bottom of the page) to place their order.

New & Improved Ordering:

- No account creation is required.
- Multiple children can now be added to the same order for your convenience.
- If ordering for more than one child, you will receive separate order numbers for each child, even if they are placed in the same transaction.

Please post the access code on your website and any other platforms you use, and forward this information to your families. Orders should be placed prior to or on picture day. Orders placed after picture day will incur additional processing fees.

VERY IMPORTANT INSTRUCTIONS

(Please assist us by relaying this information to your parents)

The order number generated at checkout must be written on the photo slip (provided at the shoot) and given to the photographer when the child's picture is taken. Parents will receive their order number(s) via email confirmation after completing their purchase.
